whatever the style of the premises,  
Identity is the perfect answer.

Its elegant design complements  
the beauty of any setting.

It is ideal for premises with medium-high use,  
its top efficiency goes hand in hand  
with cost control.

UNBEATABLE  
IN CUTTING  
CONSUMPTIONS!

## IDENTITY TOILET

The innovative idea for restrooms, many advantages in a unique design:

- the first automatic cutting dispenser, unbeatable in reducing consumption
- guaranteed performance, paper always available
- compatible with Lucart Professional range of certified environmentally-friendly paper

### ➤ THE FIRST TOILET AUTOCUT DISPENSER

The automatic cut system, applied for the first time to toilet paper, invites the user to get one tear-off sheet at a time, enhancing lower consumption, reducing the risk of clogging and avoiding senseless waste.

### ➤ OPEN PAPER DISPENSING

The paper is dispensed already open and ready for use by the dispenser for the user's convenience. 900 single-use, 22.5 cm-long sheets.

### ➤ PUSH-BAR

The push-bar, with silver-ion-based antibacterial protection, simplifies refilling and helps in the event of insufficient paper dispensing.

## ➤ AN ENVIRONMENTALLY FRIENDLY SYSTEM

The Toilet dispenser of the Identity range is compatible with the dedicated EcoNatural, Eco and Strong toilet paper. Controlled dispensing and environmentally-friendly paper: an ideal and sustainable blend.

## ➤ CONSUMPTION DISPLAY

The playfully transparent design not only makes the dispenser unique and innovative but allows to conveniently check the residual amount of product.

## ➤ VERSATILE OPENING SYSTEM

The key housing, in controlled use settings, may easily be replaced with a button to make refill operations faster.

Available in the white and black variants.

SYSTEM

## IDENTITY HANDS

Hygiene, control, efficiency, everything your customers were looking for:

- consumption and waste cutting thanks to controlled paper dispensing
- compatible with Lucart Professional range of certified environmentally-friendly paper
- extreme ease and speed in replacing the paper roll thanks to the *FAST REFILL* system

### ➤ COSTS UNDER CONTROL

The Hands dispenser of the Identity line is designed for single sheet dispensing, as only the required amount of product is dispensed. The length of the individual sheet of 28 cm has been set to guarantee optimal drying with just two tear-off sheets.

### ➤ FAST REFILL SYSTEM

The exclusive *FAST REFILL* system is the combination of flexible arms and push-bar and significantly speeds up the refill operation. Furthermore the push-bar features silver-ion-based antibacterial protection.

### ➤ TRANSPARENT CONSUMPTIONS

The dispenser's transparent parts always grant the visibility of residual product, allowing the manager to refill in a timely manner.

### ▶ VERSATILE OPENING SYSTEM

The key housing, in controlled use settings, may easily be replaced with a button to make refill operations faster.

### ▶ AN ENVIRONMENTALLY FRIENDLY SYSTEM

The Hands dispenser by Lucart Professional is compatible with the EcoNatural, Eco, Strong and Strong Blue handtowels. Controlled dispensing and environmentally-friendly paper: an ideal and sustainable blend.

### ▶ HYGIENE GUARANTEED

Hands drying with single-use paper handtowel is the most hygienic solution on the market: no spread of bacteria compared to other drying systems\*.
